Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Sunday 18 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Sunny and hot for many. Cooler in the far north.

This Evening and Tonight:
A warm night, especially in the south. Clear skies for many, but low cloud and perhaps a little drizzle affecting parts of the north and east.

Monday:
Low cloud in the northeast breaking to allow sunny spells, but cooler along North Sea coasts. Hot sunshine for southern and western parts. Chance of the odd heavy shower later.

Outlook for Tuesday to Thursday:
Dry and sunny for most places with isolated heavy showers possible. Very warm or hot. Cloudier and cooler in the far north and at times along the northeast coast.
